New brochure about standard products by Pollrich DLK Fan Factories

The new brochure „Best of 11“ of the group Pollrich DLK Fan Factories shows the range of products which has been standardised in 2011 from a total of 5 product segments of industrial fans (ufive).

The standardised product segments include axial fans, centrifugal fans, plug fans as well as smoke extraction fans for the market segments plant & building, OEM, tunnel, ship and car park.

A total of 10 product series of industrial fans has been basically revised and optimized resp. completely newly developed. The new brochure shows the whole portfolio of standardised products and is available for download under: www.pollrichdlk.com

With the trademark Pollrich DLK Fan Factories, the companies Pollrich Ventilatoren GmbH and DLK Ventilatoren GmbH offer the widest product range on the fan market: Heavy-duty industrial centrifugal fans, compact industrial centrifugal fans, axial fans, plug fans and smoke extraction fans. Pollrich DLK Fan Factories combines more than 140 years experience of both companies in industrial fan manufacturing.
